### Kitchen Crew

To make our Wednesday evening suppers successful, we need help in the kitchen! Come fellowship with old friends and make new ones as you provide a much needed service for the families of Central!

### Going Deeper

The sermon each week gives us just a taste of God's message for us. Join Carness as he "goes deeper" into the scriptures, history, and meaning behind each Sunday's sermon. This class will meet in the Room 200—no materials needed.

6:15-7:00

### Kitchen Crew

All that was done before dinner needs to be undone! Roll up your sleeves and help us get the kitchen and Atrium back together. This truly is a ministry!

### Men's Bible Study

Connect to God, His Word, and other men. Make it a priority to connect with other men for the purpose of community, Bible Study, and encouragement. This group meets until 8:00 PM. In room 202. Contact Jerry Schroeder for more information 381-5893.

### Chancel Choir

Join this talented group of men and women from 6:30-8:00 as they rehearse and prepare musical offerings for worship. For more information contact Les Oliver.

### Preschool

Children must be 3 on or before 8/1/11.

First 6 Weeks: VeggieTales curriculum delves deeply into the truths of Scripture for serious learning that's seriously fun. Kids will learn how God can guide them in their everyday lives and how He calls them to serve. With the winning combination of VeggieTales to focus the children on the lesson theme, great storytelling, and a rich variety of learning options, kids will enjoy digging into God's Word.

Second 6 Weeks: How does God's garden grow? The garden is an engaging, stimulating, and — most importantly — *fun* learning environment for preschool children.

6:15-7:00

### Preschool

First 6 Weeks: Continue the before dinner fun with more engaging Veggie Tales activities!

Second 6 weeks: Learn about community helpers and how God has given us each special gifts and talents to use for Him,

Kindergarten through 5th grade kids—learn how YOU can make a difference in your community and change the world! We will complete a mission every 3 to 4 weeks and periodically be sent on TOP SECRET missions. You can work towards promotions in Special Agent Status. And we will track the number of lives we touch on each mission. There is a one-time \$15 registration fee. Each agent will get their own Mission Possible Kids uniform (T-shirt)!

For a FULL registration form, visit the booth in the atrium.

5:45-6:15

### Fellowship Meal

\$2.50 per person  
(recommended donation)

Gather in the Atrium for food, fun, and fellowship! Mr. Tally will be preparing our meals, so you know they are sure to please! Sides and a dessert are included. Chicken nuggets are generally available for those children who are "selective" eaters!

Children will be brought to the Atrium by their teacher so parents know just where to find them. Teachers will take the kids to their classes from the Atrium after dinner and return them at 7:00 PM.
